

Pink 47

Crystal Clear London Dry Gin

Pink 47 is a strong and smooth crystal clear London dry gin offered in a distinctive diamond shaped bottle that highlights the crispness and clarity of the contents.

A delicious recipe carefully crafted in small batches using 12 botanicals. Italian juniper berries provide a classic gin foundation which is supported by two different types of angelica and two varieties of coriander. Citrus fruits and almonds from Spain are expertly balanced with West African nutmeg and several exotic spices from the Orient.

At 47% alcohol by volume and four times distilled for smoothness, it has a full and complex flavour. Pink 47 is strong and smooth without a trace of harshness and a with a crisp compelling finish that is perfect for cocktails and makes a wonderful gin and tonic.

Winner of 13 international awards including these platinum and golds:
