

Pink Royal

Vibrant pink flavoured gin

Pink Royal is a pink and fruity dry gin based upon our outstanding Pink 47 recipe - carefully crafted in small batches to a recipe based on 12 botanicals. The subtle flavours of our traditional London Dry Gin are enhanced with raspberries, blackberries and cranberries to give a rich fruity flavour that is exceptionally smooth.

Pink Royal has all the provenance of class in a glass that brings elegance, sophistication and fun to cocktail nights, garden parties and sunny afternoons with friends.

Pink Royal has a uniquely full and complex flavour; smooth with a appealing fruity finish. It is wonderful on its own with ice and great with tonic water or as a base for cocktails.
